Dear Sir:

In reference to your letter of August 24, 1960
regarding the canal leases # 606 & 607 which
you now hold.

In checking with our City Solicitor, I find that
it will be satisfactory with the City of Massillon
for you to sublet these leases to the Campbell
Oil Company.

If you will have your Attorney prepare a lease
and submit a copy to us, we will have our Legal
Department check same and if found to be
satisfactory, we will notify you accordingly.

Yours very truly,

Mrs Helen G. Gader
