The undersigned hereby ask permission to disconnect a sewer connection at the premises above described from the sewer and branch mentioned, and agree that the disconnection shall be strictly in accordance with the rules and regulations of the County Sanitary Engineering Department. We agree that we will be responsible for any damage or claims of any nature arising out of the disconnection, or the excavation therefor, and will warrant and defend the County of Stark, its officers and agents, against all such damages or claims that we will furnish and maintain proper barricades and lights for the protection of the public and that we will immediately refill and resurface all excavations and all settlements that may occur within one year from the acceptance of the work, and will pay to the County the cost of any cleaning up, removal of dirt or rubbish, refilling or resurfacing ordered or done by the County Commissioners within one year over or around the excavation for this disconnection.

We further agree to make proper return to the County Sanitary Engineer of notice of completion of said disconnection, with correct locations, immediately after such completion.

Disconnection must be made at the property line abutting the existing sanitary sewer main line to which connection previously was made. We also agree that no liquids of any sort will enter into this disconnection.

Date 12-4-00, \_\_\_\_\_
