

PERMIT FOR SEWER DISCONNECTION

County of Stark,
Sanitary Engineering Department

House Number 4444 Permit No. 1296

Sewer District 9 PERRY Township

Lot No. 8 in WESTLAND PARK Addition on N side of

LINCOLN WAY Street, between PEARSHING Street and

ROXBURY Street. Sewer in _____ Street,

"Y" Branch is 38 feet EAST of Manhole No. 74 at

1ST EAST OF ROXBURY, and is about 15.5 feet deep.

House connection is _____ feet long and end of branch is _____ feet

of SEE DWG.

Application (to be filed in triplicate and accompanied by fee of \$5.00).

No. of Units _____ No. of Bedrooms _____

The undersigned hereby ask permission to disconnect a sewer connection at the premises above described from the sewer and branch mentioned, and agree that the disconnection shall be strictly in accordance with the rules and regulations of the County Sanitary Engineering Department. We agree that we will be responsible for any damage or claims of any nature arising out of the disconnection, or the excavation therefor, and will warrant and defend the County of Stark, its officers and agents, against all such damages or claims that we will furnish and maintain proper barricades and lights for the protection of the public and that we will immediately refill and resurface all excavations and all settlements that may occur within one year from the acceptance of the work, and will pay to the County the cost of any cleaning up, removal of dirt or rubbish, refilling or resurfacing ordered or done by the County Commissioners within one year over or around the excavation for this disconnection.

We further agree to make proper return to the County Sanitary Engineer of notice of completion of said disconnection, with correct locations, immediately after such completion.

Disconnection must be made at the property line abutting the existing sanitary sewer main line to which connection previously was made. We also agree that no liquids of any sort will enter into this disconnection.

Date 12-2-09 _____
D. William Brown
