ORDINANCE NO. 16 - 2012

BY: POLICE AND FIRE COMMITTEE

TITLE: AN ORDINANCE allowing the Massillon Fire Department to charge a medic assist fee to EMS Agencies requesting medic assist.

Whereas: The Massillon Fire Department functions under Stark County Medical Control for its Medical Direction on EMS responses, and

Whereas: EMS calls can have patients who require Basic Life Support (BLS) care or Advanced Life Support (ALS) care, and

Whereas: Not all communities who respond to EMS calls are able to provide ALS care 24 hours per day, seven days a week, and

Whereas: The Stark County Medical Control Board (SCMCB) has provisions under its standing orders for those communities to be able to request ALS care from other EMS agencies for those patients in need of such care, and

Whereas: A Medic Assist for the purpose of this document is defined as a request from an EMS Agency for the City of Massillon to provide emergent medical assistance in the form of a certified paramedic to attend and be the sole ALS agent to a patient in need of ALS care while in the back of the requesting EMS Agency's Transport unit, and

Whereas: The EMS Agency requesting a Medic Assist is then able to bill the patient for ALS care instead of BLS Care, and

Whereas: The SCMCB understands that EMS Agencies who provide Medic Assists as defined above have service issues and expenses as a result of providing that service and will allow those Agencies to provide that service with certain conditions, and

Whereas: The City of Massillon, in the interest of being good neighbors and helping other communities in time of need but also in the interest of maintaining the best possible EMS service for its own taxpayers and citizens, wishes to continue to provide this service but with some specific conditions.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF MASSILLON, STATE OF OHIO, THAT:

The City of Massillon Fire Department will provide Medic Assists as defined above to other communities under the following conditions:

Section 1:

In all but the most extreme cases, the EMS Agency requesting the Medic Assist will begin transporting the patient to the hospital and meet the City of Massillon unit at some point in between.

Section 2:

The City of Massillon will provide Medic Assists only to Agency's transporting to the closest medical facility (Affinity Medical Center) for reasons of emergent medical care.

Section 3:

The City of Massillon will charge a Medic Assist fee of \$125.00 to the EMS Agency requesting the Medic Assist.
