SUBJECT OF REQUESTED LEGISLATION:

The Stark County Public Defender's Office has approached our Municipal Court and requested that the City renew an Agreement wherein the Public Defender will provide representation for indigent defendants that are charged with violations of City Ordinances.

Previously the Court appointed private counsel to represent indigent defendants charged with violations of City Ordinances. This is probably more expensive than paying the Public Defender a flat fee of One Hundred Ninety-Five Dollars (\$195.00) per case for representation in these matters. The payment of this contract will be made from the Court funds which are currently used to pay private counsel appointed for indigent defendants.

The Contact will commence January 1, 2015 and go through the end of the 2015 calendar year with an option to renew for an additional year. Therefore emergency passage is requested.

ORDINANCE NO. 145 – 2014

BY: ENVIRONMENTAL COMMITTEE

TITLE: AN ORDINANCE authorizing the Director of Public Service and Safety of the City of Massillon, Ohio, to enter into a contract upon approval of the Board of Control with I. Kruger Inc. for the Wastewater Treatment Plant Improvement Project, and declaring an emergency.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF MASSILLON, STATE OF OHIO, THAT:

Section 1:

The Council of the City of Massillon, Ohio, hereby determines it to be necessary in the public health, safety and welfare to enter into a contract upon approval of the Board of Control with I. Kruger Inc. in the amount of Three Million Nine Hundred Ninety Nine Hundred Thousand Dollars (\$3,999,000.00) for the specialized wastewater treatment equipment, engineering and training for the Wastewater Treatment Plant Improvement Project, which has an overall estimated cost of Twenty Three Million Eight Hundred Seventy Thousand Three Hundred Four Dollars (\$23,873,304.00). 46.47% of the cost of design and construction will be reimbursed by Stark County, including the cost of this contract.

Section 2:

The Director of Public Service and Safety of the City of Massillon, Ohio, is hereby authorized to enter into a contract upon approval of the Board of Control with I. Kruger Inc. for specialized wastewater treatment, equipment, engineering and training for the Wastewater Treatment Plant Improvement Project. Complete funding for the I. Kruger contract is expected to be provided by the Ohio Water Development Authority (OWDA) administered by the Ohio Environment Protection Agency's Division of Environmental Assistance, through a zero interest loan that is expected to be available in January 2015. In the meantime, the City needs to have I. Kruger under contract so that it can produce shop drawings so that the overall design of the project can be sufficiently complete to initiate construction in the fall of 2015. A later construction start date would likely increase costs due to working in winter conditions and general inflation. The City will not authorize fabrication of I. Kruger's equipment until complete funding from OWDA is assured, which will protect the City from the full cost of the I. Kruger contract in that unlikely event. If that occurred, the City would pay for the cost of I. Kruger's shop drawings with funds on hand in the 2101 Wastewater Treatment Capital Improvement Fund account and terminate the I. Kruger contract.

Section 3:

The Clerk of Council is authorized to correct any typographical errors discovered herein during or after the pendency or passage of this ordinance. The Clerk of Council is further authorized, in conjunction with the Law Department and the Council President to correct any ministerial or de minimis errors that do not substantially alter the intended results or numerical total sums of this ordinance, during or after the pendency or passage of this ordinance. Corrected copies are to be sent to all official recipients.

Section 4:

This Ordinance is hereby declared to be an emergency measure, for the efficient operation and upgrade of the Wastewater Treatment Plant of the City of Massillon and for the preservation of the public health, safety and welfare of the community. Provided it receives the affirmative vote of two-thirds of the elected members to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor. Re: Approval of Extension for the Stark County Budget Commission to Complete its Work

The Tax Commissioner, upon consideration of the application filed by the County Auditor, as secretary of the county budget commission, on September 18, 2014, for an extension of time beyond the statutory date of September first to complete its work, as provided by Revised Code section 5705.27, finds that the extension of time is necessary and approves October 1, 2014, as the date within which such work shall be completed, pursuant to Ohio Revised Code section 5705.341 (last para.).

The Tax Commissioner also extends the October first deadline contained in Ohio Revised Code section 5705.34 for the political subdivision to authorize the necessary tax levies to the auditor by the same number of days that the extension to certify rates is granted by this entry. Accordingly, the political subdivision must authorize the necessary tax levies to the auditor by October 31, 2014. The County Auditor must notify each political subdivision affected by this entry.

It is ordered that a copy of this entry be certified to the County Auditor, as secretary of the County Budget Commission.
