Dear Mayor Catazaro-Perry:

Attached are two (2) forms of Consent Legislation for the subject project that will begin construction in fiscal year 2018. Per Section 5521.01 of the Ohio Revised Code, the Director of Transportation is required to request and receive legislation from municipalities, prior to making any necessary repairs to State Highways within the corporate limits. Please have both originals of the Legislation signed then return both to this office for further processing. Once they are signed in the District, one copy will be returned to you for your records.

This legislation may be retyped to suit local preferred format, however, no information may be deleted from the legislation, and the **Certificate of Copy, State of Ohio** must be returned signed and containing a line for the Director of Transportation's signature. Also, please put the county, route and section, along with the PID Number of the project on the cover letter, so the correct project information can be put with the related legislation. We would appreciate receiving this legislation as soon as it can be executed.
