Re: Massillon Senior Housing

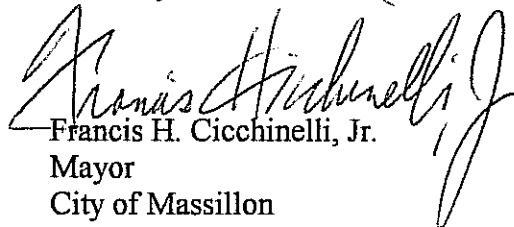

Dear Mr. Uram:

It is my understanding that Massillon Senior Housing, L.P. will be submitting an application for housing tax credits to the Ohio Housing Finance Agency for the above-referenced senior housing development in Massillon, Ohio.

I understand that the proposed development will contain up to 50 senior apartments in an elevator three story building located on Walnut Road SE between Young Avenue and 14th Street SE in the City of Massillon, qualified census tract -7142. I further understand that all of the units will be affordable for seniors aged 55 and older with incomes at and below 60% AMI for Stark County.

I am supportive of this proposed development to address the need for quality affordable senior housing in the City of Massillon.

Sincerely,

Francis H. Cicchinelli, Jr.
Mayor
City of Massillon
