Dear Mr. Dylewski:

Fifteen applications for financial assistance were received through the 2015-2016 Partners in Watershed Management Grant Program. We are pleased to inform you that the Tuscarawas River Improvement Project has been selected for further review and will be submitted to our Technical Review Advisory Group. You will be contacted if any questions arise during this process.

Thank you for your interest in the Partners in Watershed Management grant program, and for your commitment to conservation in the Muskingum River Basin. If you have any questions, please contact me at (330) 556-4831 or nick@mwcd.org.
