Attn: Jamie R. Minor, Esq.  
825 South Main Street  
North Canton, Ohio 44720

**RE:   *Utility Assurance for Massillon Senior Living, Ltd.  
2550 University Drive, S.E., Massillon, Stark County, Ohio (the "Property")***

Ms. Minor:

Please note that the above referenced project has sewer available for connection to City of Massillon storm and sanitary sewers for the development of the proposed Danbury Assisted Living and Memory Care facility.

The sanitary service was previously provided by means of a 10 inch gravity sewer main under University Drive and an 8 inch lateral line which serves the current building. To utilize the existing 8 inch lateral for this project the owner must provide the City of Massillon Engineer a video inspection report showing that the existing lateral is in good working condition. If the lateral is unsatisfactory a new connection may be required.

The storm sewer will connect to an existing pond and culvert crossing at the south end of the property.

If you have any questions or need additional information please contact our office at 330-830-1722.

Respectfully,

**KEITH A. DYLEWSKI, P.E., P.S.**  
CITY ENGINEER
