Plan Review-Approval

Dear Mr. Weiss,

The Storm Water Pollution Prevention Plan (SWPPP) review set dated 5/3/2023 (Bulletin 1), Storm Water Management Report (SWMR) dated 2/2/2023 (with 5/2/2023 drainage maps), and Long-Term Maintenance Plan for the above-mentioned project received on 5/3/2023 have been reviewed and approved by our office. These documents will be used as a reference when inspecting this site during construction. Please ensure this letter remains on site during the construction process along with the approved NOI and approved set of plans.

1. **NOTE: The following items need to take place before or at the scheduled SWPPP pre-construction meeting ahead of earthwork:**
  - a. The Ohio EPA NPDES Permit is required for this site. Please supply a copy of the permit once obtained.
  - b. If desired by the developer, the contractor will need Co-Permittee NOI coverage prior to the start of the project. Please provide a copy to our office once obtained.
  - c. Once obtained, please provide updated documentation and permit verification for the Section 404 Modification and the Section 404 Permit from the USACE – Huntington District.
  - d. The Plan Certification statement on Sheet C-801 must be signed per the requirements in the OEPA NPDES construction general permit by the permit holder. Please provide a copy to our office once obtained.
  - e. Please have the responsible party sign and date the attached Long-Term Maintenance Agreement. Please provide a copy to our office once obtained.
2. A SWPPP pre-construction meeting is required before any earthmoving operations begin. Please contact our office at 330-451-7645 to schedule a time. \*This may take place once all reviewing agencies have provided their approval to you.
3. If any alterations occur as a result of other review agency comments or during construction, please supply our office with the updated plan set. If this requires an additional review based on needed SWPPP modifications, please resubmit it with a letter explaining the changes that occurred to our office.

This approval shall remain valid for two (2) years from the date of this approval letter. An extension may be requested in writing before the termination of the two (2) years. If you have any questions, please contact me at 330-451-7647 or [SEMatheny@starkcountyohio.gov](mailto:SEMatheny@starkcountyohio.gov).

Respectfully,

Sarah Matheny  
Storm Water Manager
